

## **Coronavirus Chancery Clerk Statement**

Due to the COVID-19 (Coronavirus) impacting our country, counties and cities, please be advised that the Quitman County Chancery Clerk's office will remain open at this time. In an effort to keep our community, family, friends, and employees as healthy as possible, we offer the following suggestions:

We would encourage you, if you can, please conduct business with our offices, either over the telephone or by mail or email during this time. These efforts are to help minimize any unnecessary visits.

Should you need to pay delinquent property taxes, record any documents, including court and land records, you may mail these documents to the office – Chancery Clerk, 220 Chestnut Street, Suite 2, Marks, MS 38646. If you are unsure of recording amounts and/or delinquent tax amounts, please call our office (662) 326-2661 option #7. My cell phone number is 662-444-2661, please call with any concerns. Please leave a message if I don't answer, I will return your call.

My email address is [quitmanchancery@hotmail.com](mailto:quitmanchancery@hotmail.com). I will respond to your questions to help you access our office with all the information you may require so that you can be as prepared as possible when you come to the courthouse so that your business can be handled as expeditiously as possible.

The Courthouse is still open to the public using one point of entry coming in from the Jail side. A Sheriff's deputy will be monitoring everyone and refuse entry for those running fever. Only one customer per office will be allowed inside the courthouse at any time.

To further serve the citizens of Quitman County, my office has "window service" on the South front side of the Courthouse. Walkups can come to the window for assistance without having to enter the courthouse. Documents and payments can be passed through the window keeping you and my staff "socially distanced" and safe. If you would call my office prior to "walking up", we could be prepared to handle your business quickly and efficiently.

Please know we are taking all safety precautions to keep our offices as clean and sanitary as possible. We will continually monitor this situation and provide as much information to you as we can.

Y'all stay safe and wash those hands!

Sincerely, Your Quitman County Chancery Clerk  
Butch Scipper
